MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments :

In 2021, the world economy grew 6.1% and was on a path to recovery from the severe impact of COVID-19 related restrictions in economies around the world, with increased debt levels, severe damage to human lives and disruption in global supply chain. However, 2022 started on a challenging note with the Russia-Ukraine conflict, and frequent and wider-ranging lockdowns in China, which led to significant economic damage to global growth. Global growth is projected to slow to 3.6% in 2022 and 2023.

As India marches on a high-growth trajectory, the country is set to remain one of the fastest growing economies in the world. The Economic Survey 2021-22 had estimated India's GDP growth at 9.2% in FY 2021-22. The last quarter of FY 2021-22 witnessed the impact of the third wave caused by the Omicron variant and geopolitical conflicts between Russia and Ukraine. In 2022 rising international commodity prices remain the biggest risk emanating from the conflict, as Russia and Ukraine are global suppliers of key commodities. India is passing through an inflationary trend as the retail inflation touched 6.95%, the highest in 17 months, and the wholesale price index (WPI) hit 14.55% in March 2022 amid surging fuel and food costs. Besides inflation, the marginal cost of funds lending rate is rising with interest rate tightening. Meanwhile, Indian exports continue to rise, particularly the agriculture exports. India's agri-exports reached USD 50 Billion for FY 2021-22, despite challenges posed by the COVID-19 pandemic in the form of high freight rates, container shortages, etc. It is expected that consumption and demand will pick up pace once the uncertainty and anxiety due to Covid-19 pandemic and Russia-Ukraine conflict recede. This will, in turn, facilitate the private sector to inject investments to augment production to meet the rising demand. In FY 2022-23, as per IMF, the economic growth rate is expected at 8.2%, making it the fastest-growing major economy in the world, almost twice faster than China's 4.4%.

With a size of around 15% of Scheduled Commercial Banks' combined balance sheet, the NBFC sector has been growing robustly in recent years, providing an alternative source of funds to the commercial sector in the face of slowing bank

credit. NBFC-ND (Non-Deposit accepting NBFCs) comprise 85.4% of the total balance sheet size of the NBFC sector. Whereas the balance 14.6% is accounted by NBFC-D (Deposit accepting NBFCs). Although in the FY 2021-22, the concerns surrounding the sector due to debt defaults amidst temporary asset liability mismatches arose, the inherent strength of the sector, coupled with the Reserve Bank's continuing vigil on the regulatory and supervisory front, will ensure that the growth of the sector is sustained and liquidity fears are allayed.

Opportunities and Threats

The relief package announced by the Government is set to affect almost all sectors and the Government is keen to restore the position of Indian Economy as the fastest growing in the world. Moreover many overseas companies have expressed setting up their unit in India and the Government move towards the same is being watched with much interest.

India has emerged as one of the fastest growing economies in the globe and has generated a lot of interest among foreign investors both financial and strategic. Global players see India as the future economic powerhouse and they are making huge investments in different business within the country. Buoyant market conditions and sustained economic growth over the past few years coupled with a very positive outlook in the coming years give the business of our Company.

Segment Wise / Product Wise Performance

The Company operates in single business segment i.e. NBFC, it has witnessed considerable growth in the last few years and is now being recognized as complementary to the banking sector due to implementation of innovative marketing strategies, introduction of tailor made products, customer-oriented services and simplified procedures, etc

Your Company is engaged only in lending and investment activities and no other business activities. Hence, the requirement of segment-wise reporting is just for one segment.

Business Outlook

The Company is mainly engaged in the business of financing and investment in bodies corporate in order to yield greater revenue for its stakeholders. The

Management of the Company is looking for a steady growth of the Company and aims at maximizing the shareholders wealth by way of earning maximum profits at low investment costs.

Risks and areas of concern

New entrants could be a threat to the various business segments of the Group. However, competition only help the Group build a strong business model, employ the best human talent and capitalize on the long years of excellent client relationship and a proven track record.

Any change in the interest rate in the market will have impact on the profit of the company. The Company has a defined credit policy duly approved and reviewed by the Management from time to time. The credit policy is strictly implemented and the debtors are regularly monitored. However any default or downgrade of credit worthiness of customers may affect profitability. The Company strives to comply with all the statutory laws of the Country. But the same law may be misused by opposite party especially the defaulters. It may happen in financial business that some people may get loan from the financiers with no intention to repay.

I have audited the accompanying financial statements of MANSI FINANCE (CHENNAI) LIMITED ('the Company') which comprises the balance sheet as at 31st March 2022, the statement of Profit & Loss Account, Statement of Changes in Equity and the Cash Flow statement for the year ended and a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the the Companies Act,2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit/loss, changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and I have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my opinion on the financial statements.

Key Audit Matter

Key Audit Matters are those matters that, in my professional judgement, were of most significant in my audit of the financial statements of the current period. These

matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I determine in accordance with Para 10 of SA 701 that there were no key audit matters that require significant attention of Auditor.

Information other than Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate governance and Business Responsibility report but does not include the consolidated financial statement, standalone financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibility of Management and those charged with the governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Companies Act, 2013 ("the act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting standards specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Responsibilities for Audit of standalone Financial statements

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonable of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone

financial statements represent the underlying transactions and events in a manner that achieves the fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during our audit.

I also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'C' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (f) under 'Report on other legal and regulatory requirements' section of our report of even date)

I have audited the internal financial controls over financial reporting of MANSI FINANCE (CHENNAI) LTD as at 31 March 2022 in conjunction with my audit of the stand alone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the Companies Act, 2013.

Auditor's Responsibility

My responsibility is to express an opinion on the Company's Internal Financial Control over financial reporting based on our audit. I conducted my audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest Income

Interest Income is recognised by applying effective interest rate to the gross carrying amount of financial assets other than credit impaired assets, taking into account principal outstanding and the applicable interest rate. Interest income is recognised on non performing assets at net of expected credit loss.

Delayed payment interest levied on customers for delay in repayment/ non payment of contractual cashflows is recognised on realisation.

Dividend Income

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

Recovery of financial assets

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

3.2 Property, Plant & Equipment

Property, plant and equipment are stated in the balance sheet at cost (net of duty/tax credit if any availed) less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, non refundable duties & taxes and other directly attributable cost of bringing the asset to its working condition for the intended use.

Depreciation on Fixed Assets is provided on written down value method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

3.3 Investment property

Properties held to earn rental income or for capital appreciation or both and that is not occupied by the Company is classified as Investment property. Investment property is measured and reported at cost, including transaction costs.

Depreciation is not charged on the investment property building.

An Investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future benefits are expected from the disposal. Any gain or loss arising on derecognition of property is recognised in the Statement of profit & loss in the same period.

3.4 Financial Instruments

i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial Measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent Measurement

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to

collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

ii Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized

from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

3.5 Cash & cash equivalents

Cash and cash equivalents include cash on hand, Cheques/Drafts on hand, balances in current accounts with banks, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.6 TAXATION

Current Tax is the amount of tax payable on the taxable income for the year and determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

3.7 IMPAIRMENT OF NON FINANCIAL ASSETS

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.8 Provisions, contingent Liabilities & contingent Assets.

Provisions are recognised only when the Company has present, legal, or constructive obligations as a result of past events, for which it is probable that an outflow of economic benefit will be required to settle

the transactions and a reliable estimate can be made for the amount of the obligation.

Contingent liability is disclosed for (1) possible obligations which will be confirmed only by future events not wholly within the control of Company or (2) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised

3.9 Foreign Currency transaction

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

During the year Company has not carried out any foreign currency transactions.

3.10 Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post Employment Benefits

Gratuity shall be provided on the basis of payment and no provision has been made for the same on accrual basis.

3.11 Earnings per share

Basic EPS is computed using weighted average number of equity shares outstanding during the period. Diluted EPS is computed using weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti dilutive.
